**STREAMING**

28-31 August 2021  
Kyoto, Japan

## Yet to register for the Congress? Here's your chance to do so! **EXTENSION OF EARLY BIRD RATES TO 30 JUNE 2021**

With the global situation rapidly changing in recent months due to the pandemic, we understand that you may have been hesitant to register for the 23rd APLAR Congress.

Hence, we have extended early bird rates to **30 June 2021** to provide a chance to register at special rates!

In addition, we understand the challenges faced by some international delegates with travelling to Kyoto. Thus, we are delighted to offer a fully virtual experience of the 23rd APLAR Congress at reduced rates.
